

BULLENTIN BARS

Specifications

Ghent's bulletin bars are the perfect tack surface when space is limited. The bulletin bars feature an aluminum 6063-T5 rail with a 5/8" Endura cork tack surface that will not shrink. The maprail can be mounted directly to a magnetic surface or directly to a wall. These maprails are available in sizes from 1"H x 18"L through 1"H x 48"L.
