

# PROTECTIVE SHIELD

## Countertop Clear Plastic Guard

SG2

SG3

As a company driven by innovation, we are using our manufacturing capabilities and components we have in house to produce a protective shield to support the effort of social distancing for essential businesses that need to stay open. These plastic “sneeze guards” can be used as a transparent barrier on countertops and at check-out areas to encourage physical distancing during necessary interactions.

### Features

- Available in 4 sizes and 2 styles
- 1/8" thick plastic panel is easy to clean and disinfect
- Bases are made of 3/4" MDF material
- 1 year warranty
- Made in the USA
