

DFM Series

DECO *Aurora* Color Accented Whiteboards

Materials:

- The framing and accessory tray are satin anodized aluminum extrusion.
- Writing surface is white porcelain coated 28 gauge steel sheet laminated to 1/2" thick particle board, with an aluminum plated polyester film backing.
- Frame corners are medium gray ABS plastic.
- Accessory tray end caps are medium gray thermoplastic.
- Color trim strips are thermoplastic PVC.

Features:

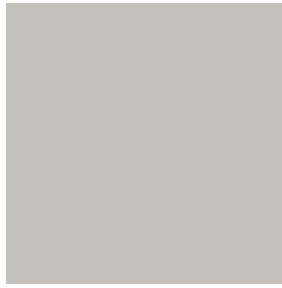

- Available in the following sizes: 3'x4', 4'x4', 4'x6', 4'x8', 4'x10', and 4'x12'.
- Mounting fasteners are concealed after installation.
- Color trim strips are available in five solid colors (Black, Gray, Navy, Red, or Royal Blue) and three wood grains (Cherry, Light Maple, or Mahogany).
- (1) eraser and (4) color erasable markers are included with each marker board.

Notes:

- *Mounting hardware not included.*
- *The colors trim strips are to be installed by the customer after mounting the board.*
